LED HOLOGRAPHIC FOLDING POSTER SCREEN

Slim high-transmittance LED holographic display. Floor-standing & hanging dual-use, deliver eye-catching floating advertising visuals for commercial use.

High Transmittance | Quick Splicing | Foldable | Dual-use (floor-standing & hanging)

TOOL-FREE FOLDING EASY TRANSPORT

Folds directly without disassembly. Compact size after folding for easy transport and storage(Equipped with casters for convenient site relocation. Perfect for frequent use at exhibitions and events.

SEAMLESS SPLICING SCALABLE DISPLAY

Equipped with fast-locking mechanisms on the sides. Multiple screens can be seamlessly spliced to expand display sizes as needed. Easy to install and disassemble, quickly building large transparent display screens.

MULTIPLE INSTALLATION OPTIONS

Installation modes can be flexibly selected according to site conditions, supporting both floor-standing and ceiling-hanging mounting.

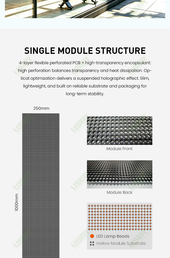
Hanging Installation

Floor-standing Installation

HIGH TRANSMITTANCE

80%~95%

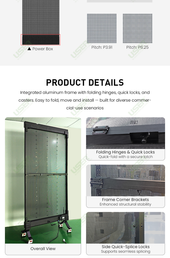
Transparency ranges from 80% to 95%, depending on pixel pitch and configuration. The hollow design minimizes visual obstruction, keeping the space visible during playback - balancing content display with spatial aesthetics.



HD HIGH BRIGHTNESS

≥2500cd/m²

Delivers crisp yet visibility for pleasure by even under strong daylight and window reflections. Its high-transparency design keeps interior store displays visible while playing content.



SINGLE MODULE STRUCTURE

4-layer flexible perforated PCB + high-transparency encapsulant. High perforation balances transparency and heat dissipation. Optical optimization delivers a suspended holographic effect. Slim, lightweight, and built on reliable substrate and packaging for long-term stability.

PRODUCT DETAILS

Integrated aluminum frame with folding hinges, quick locks, and casters. Easy to fold, move and install – built for diverse commercial use scenarios.

APPLICATION SCENARIOS

Ideal for commercial advertising, retail stores, exhibition halls, catering and other indoor spaces, delivering high-tech advertising experience.
